NEW for 2010

## Asset-Based Lending and Insolvency

Andrew Knight and Grant Jones

### A unique new guide to insolvency law, legal practice and asset-based lending

Asset-based lending has been a huge success within the UK debt market. However the onset of the international credit crisis has thrown ABL transactions into sharp focus, resulting in the need for specialist reference material and clear guidance for professionals tackling ABL and insolvency.

This timely new guide from two leading experts will prove indispensable to lawyers handling insolvency law, asset-based lenders, and insolvency practitioners.

Andrew Knight and Grant Jones unravel the legal scenarios and financial situations asset-based lenders must negotiate when dealing with an insolvent borrower. What options do you have, what legal issues determine the amount of recoverable debt, which approach is likely to ensure a successful outcome? These questions plus many more are answered within the pages of this specialist new resource.

**Asset-Based Lending and Insolvency** outlines your options, and provides the practical tools and techniques to help recover debts, advances and assets - a clear competitive advantage.

### Key features and benefits:

- Demonstrates the numerous options available to lenders when dealing with an insolvent borrower
- Outlines the latest legal techniques covering all aspects of ABL and insolvency
- Approaches, uniquely, the application of UK insolvency law from an entirely asset-based perspective
- Supplies a clear overview of the regulatory framework for insolvency
- Contains legal tips and suggestions for insolvency lawyers and practitioners
- Written by two leading ABL experts – this is your chance to access their know-how

### Contents

- Insolvency as a specified event in ABL facilities
- Liquidations
- Receiverships
- Administration
- Reviewable transactions (antecedent transactions or detrimental acts)
- Set off
- European insolvency law
- International connections
- Insolvency aspects of multi-lender asset-based finance transactions

### About the authors

Andrew Knight is the head of European Finance at Squire Sanders & Dempsey LLP and a leading authority on asset-based lending. Grant Jones is a partner of the accountancy firm Cooper Parry LLP, and an attorney with Squire Sanders Dempsey LLP. His professional practice encompasses insolvency, finance, pensions, arbitration, and PCCs. He is a member of the Governing Council of the ICAEW, and a Special Professor of Law at Nottingham University.

**Make sure specialist ABL and insolvency material is readily available from your bookshelf by ordering a copy of this superb guide without delay.**

Price: £99.95/€110.00/\$150.00 ISBN: 978 1904905 62 2 Publication date: April 2010 Format: Paperback

Fully updated NEW edition for 2010

## Protected Cell Companies: a guide to their implementation and use

Second Edition Nigel Feetham and Grant Jones

*'a valuable tool for the practitioner'*  
Professor Larry E. Ribstein

With increased awareness of the PCC amongst lawyers and business professionals, its uses have spread from its origins in captive insurance companies to providing a creditor-protected opportunity for special purpose vehicles, credit derivatives, and open-ended investment companies. This essential book demonstrates how, and why, PCCs can be used by:

- Insurers
- Insurance brokers
- Banks
- Investment and fund managers
- International tax planning advisers

Plus it highlights the use of PCCs and related devices not only in their originating jurisdictions, but also in the EU, the US and around the world. Do not miss out.

### Insolvency and protected cell companies

You will benefit from comprehensive guidance covering the key issues including insolvency, veil-piercing, tax, and accounting.

### About the authors

Nigel Feetham is a partner at Hassans International Law Firm specialising in insurance, funds and structured finance. He has played a major part in Gibraltar's financial development. Grant Jones is a partner of the accountancy firm Cooper Parry LLP, and an attorney with Squire Sanders Dempsey LLP. His professional practice encompasses insolvency, finance, pensions, arbitration, and PCCs. He is a member of the Governing Council of the ICAEW, and a Special Professor of Law at Nottingham University.

## TUPE: Law and Practice

Second Edition Stephen Hardy and Wyn Derbyshire

### The TUPE Regulations 2006 and insolvency – specialist legal guidance for employers and their advisers

This comprehensive legal guide examines the TUPE Regulations 2006, plus the controversies and court decisions that have shaped the practical application of these key regulations.

Stephen Hardy and Wyn Derbyshire explore a wide range of issues, including the impact of TUPE on insolvency, the consequences for terms and conditions of employment and pension provisions. Using clear step-by-step guidance, this book shows how employment lawyers, pension professionals and HR practitioners can all successfully navigate complex insolvency cases.

### Key features and benefits include:

- Specialist advice covering all aspects of TUPE and insolvency
- Outlines how TUPE has evolved, and been shaped by court decisions
- Examines the impact of European law and recent trade union action
- Demonstrates how to apply each TUPE provision in practice

**Order your essential copy of TUPE: Law and Practice 2/ed without delay.**
